ABOUT THE COMPANY

Rukn Al Manzil Used Electronics Trading Company specializes in the bulk sale and purchase of used laptops, tablets, and other electronic devices. Based at the JNP Wholesale Used Computer Market in Sharjah Industrial Area 5 — one of the region's most active trading hubs for used electronics — we work with resellers, refurbishers, corporate IT departments and wholesale buyers who need a dependable source for graded, tested used electronics at volume.

Every device that passes through our hands is checked, sorted and represented honestly, so both sides of every deal know exactly what they're getting.

WHAT WE TRADE

- **Used Laptops** — business and consumer brands, from single pallets to full containers
- **Used Tablets** — consumer and enterprise channel sourcing, screen and battery graded
- **Used Smartphones** — trade-ins, carrier returns and liquidation lots, tested and graded
- **Accessories & Components** — chargers, batteries, screens, RAM and storage drives
